

**We need you to donate, and since we are a Registered Charity, we can give you a tax receipt for the 2016 tax year. You get to pay less income tax PLUS help an organization you believe in? A WIN - WIN concept!**

Here is an opportunity to support the world renowned Bras d'Or Lake and its watershed!

By donating to this local organization you help to:

- Support the development of a walking trail connecting all the Bras d'Or communities right around the lake.
- Support sustainable rural development and tourism.
- Develop and implement local science curriculum resources for students, teachers and parents.
- Make possible annual data collections by citizens from selected sites around the Bras d'Or Lake.
- Protect and maintain the "health" of the various ecosystems within the Bras d'Or Lake Biosphere.

The Bras d'Or Lake Reserve Association (BLBRA) is composed entirely of volunteers who see their work as a labour of love. We need your support, your involvement and your talents. Inspire a positive future by helping to connect people and nature today. Please consider joining or donating to the BLBRA. (Receipts for income tax purposes will be issued.)
