Notes:

- H Hiking
- M Multiuse Trail
- B Beach
- C Under construction
- X* partially gps'd
- TCT Trans Canada Trail (Great Trail)

Hiking Ability:

- 1 Easy
- 2 Intermediate
- 3 Hard

IMPORTANT:

Most of these trails follow old pioneer roads. They are places where people have walked for several hundred years. Some are not maintained, Some are used by snowmobile groups in the winter.

Except for trails in DNR provincial parks, and those operated by community, First Nations and/or municipalities, signage is poor. Please take a map and compass when you use these trails.

This trail inventory and accompanying map are a "WORK in PROGRESS"
