

Birders Alert - Bras d'Or Bird Watch!

The Bras d'Or Lake Biosphere Region Association has scheduled a special Bras d'Or Bird Watch activity in the St. Peter's area.

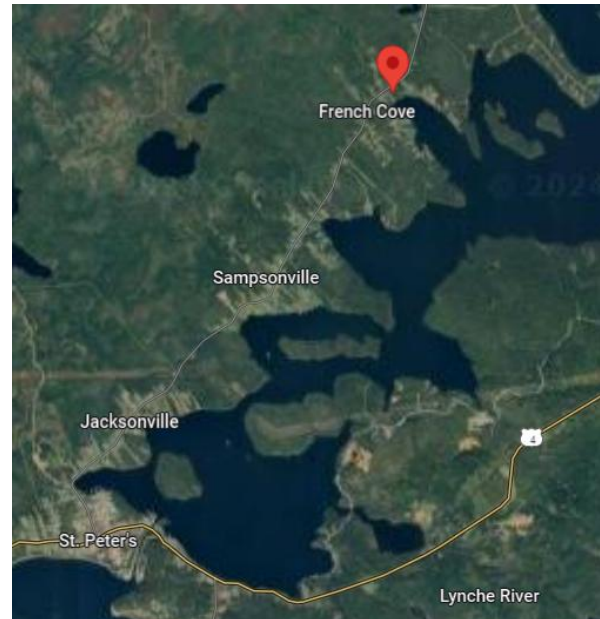

Location: 8059 West Bay Hwy, French Cove

Date: Saturday June 7th, 2025

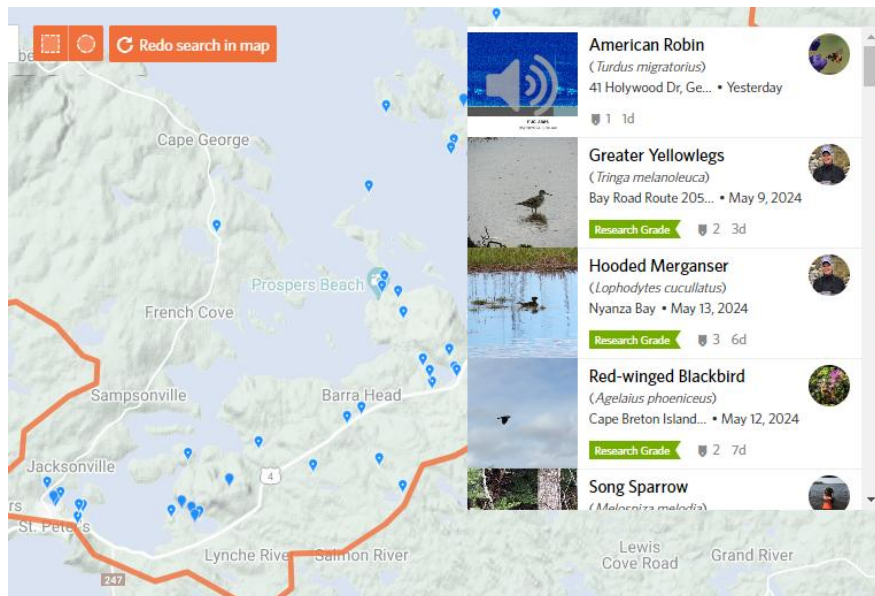

Time: 6:30am to 7:30am or so. Rain or shine.

Our local expert, Billy Digout, will be conducting a guided walk starting from his property in French Cove which will last about an hour, depending on what we see.

This is a good time of year and day to see mating pairs. We will walk about 1/2 km along the highway and head into the woods. There is no need for boots but bring your binoculars and camera. You may be able to add some observations from this part of the biosphere to [iNaturalist](https://www.inaturalist.org) record

Parking is in Billy's driveway. Please call Gordon Kerr if you have any questions. (902) 631-3754.
